FYI, Lisa.

Anna and I were invited to this meeting, which I read as a kickoff for the next AE that Cadmus will review. Please let me know if you have any concerns.

As you probably saw, it looks like R9 and DOGGR have settled on the week of June 20 for us to travel to CA. We will, therefore, proceed with submitting the WP and budget for the amendment. If you send a TD to travel, we will begin the appropriate paperwork.

Thanks for sending this out Al. For some reason the email address you have for Mike and I are the reverse of our addresses. The EPA format is last name.first name@epa.gov. I am also forwarding to Cadmus and our counsel.

Would you kindly provide a call in number for those of us that will not be attending in person? Thanks!

This meeting is as agreed upon On April 21 during the EPA-SWB-DOGGR periodic onsite review in Sacramento. The meeting will use DOGGR video-conferencing.

The Inland District will conduct a preview of the Round Mountain aquifer exemption application and related issues.

The next EPA-DOGGR-SWB periodic onsite review will be in San Francisco on May 21 and will be hosted by US EPA Region 9.

Thanks, Al
